

IM searching?
 Integration with other offerings
 Butler Group dude
 "if there where, we couldn't tell you"
 we do what the customers want
 Appliance offering?
 Butler Group dude
 they're thinking of it
 Pricing plan to go beyond 500k
 without upgrade to OmniFind
 Ship and iterate, ship and iterate
 [Clearly, they need to integrate with
 other IBM social software projects.]
 they are reluctant to make any future/
 roadmap statements
